

Infinite Love Healing Testimonials

From private sessions and one-day workshops:

"I experienced [from the session] a complete lifting of weight, a lightness..... thankfulness, excitement, joy..... I'm not sure I remember ever feeling this way.... at least not in the last 15 years, since all the serious life traumas began and continued one after another." - Kathy

"I am still in shock how deep this was. I highly recommend you give yourself the gift of attending the Infinite Love Healing workshop. Whether you attend one time or many, if your heart is open to bringing more love to yourself and the world, Adam has so much to offer in the most gentle and generous way possible. I am so grateful that I experienced this." - Moira

"Two years I had these traumas [of her Mom dying and friend getting murdered]...Two years, and I was grieving and meditating and doing so much to cope...and now after our session it feels like it never happened. I am so grateful. Amazing." - Divya

"Tuve una experiencia profunda de alineación de la divinidad con mi ser interno, conexión con la fuerza cosmica divina y la fuerza de cura universal, y contacto y alineación entre el subconsciente y el ser. Muchisimas gracias." - Kassem

"I felt a deep state of inner peace and relaxation. After the session, I was overflowing with love and felt revived and full of life. I still refer back to it months later, as it made me feel unconditionally loved and supported." - Jacklynne

"What happened within me was very impressive. I felt so loving and peaceful afterwards. I'd like to recommend Infinite Love Healing to everyone who needs more love in his or her life. Thank you..." - Carla

"Una de las sesiones que recibí exactamente, es la verdad que recuerdo con una intensidad... enorme fue la primera...debería decir que la mayoría de las cosas decías Adam yo no las entendía... No entendía las instrucciones por el inglés sobre todo porque no entiendo mucho inglés y no estoy acostumbrado al acento de estado unidos...además de eso, el estado en que entraba muy pronto, era muy profundo..lo que haces es muy recomendable."- Deva Prasad

"“The caterpillar sheds his skin to find the butterfly within”...“Lovers don't finally meet somewhere...they're in each other all along...”

"I wanted to describe in detail what I experienced in the sessions, but those quotes really capture it better...Not only is Love a state of being to exist in, but it constantly gets deeper until nothing else exists but Love. The clearing statements and the unplugging experiences were completely humbling and inspiring at the same time. They showed me how to be

more trusting and receptive to Love rather than fearful. Your sessions let me experience how great love is...at a level that I never knew existed...but as soon as I was experiencing the love it felt familiar, like returning to it...Your sessions were just so intensely impactful and healing for this. Thank you with all my heart.” - Jyotica

I have worked with Adam for the past three years. Adam is a gifted energy worker with powerful insight. He is tuned in, warm and meets you wherever you are on your journey. He has helped me tremendously and has given me confidence and intuitive guidance every step of

the way. His modality of Infinite Love Healing is a profound and effective way to clear out the blocks we all have to infinite love. He has supported my healing and spiritual growth and I am overwhelmingly grateful. I don't know where I would be without his support. He is a blessing to all who get to work with him. He is a blessing to the universe." - Elisa
